

# BORAH LIONS BOYS BASKETBALL

The Borah Lions Boys Basketball program would like to offer area businesses the opportunity to show your support for our program. The BHS basketball tradition is as committed to developing athletes in the sport of basketball, as it is to building good character and citizens amongst the best athletes in the state. Did you know kids that participate in school activities are more motivated to stay in school and do well?

A corporate sponsorship is a great way to support the Borah Lions Basketball Program and athletes, but also a great way to build community ties for your business. Investments made by sponsors create valuable exposure to the local community to increase business and advertising reach. Signage in the gym is visible to thousands of patrons that utilize the Borah gymnasium for multiple sports in addition to extracurricular functions.

Sponsorship will also provide your company the opportunity to reach customers via social media through the Borah Boys Basketball social media outlets: Facebook, Twitter and on Borahboysbasketball.com.

**Tax deductible** sponsorship packages offered are:

## PRIDE PACKAGE \$1000

- ◇ 2ft x 6ft sign prominently displayed in main Borah gym with priority placement
